PTA Executive Board

All parents and legal guardians of Public School 32Q students are automatically members of the Parent Teacher Association (PTA). Membership also includes all teachers currently employed at the school.

The PTA helps parents become involved in their child's education, share ideas, and enrich the school community. The PTA Executive Board members are all volunteers and cannot do it alone. More volunteers are welcome. Please think about the ways that you can support the PTA in the upcoming year. This may include volunteering for committees, attending PTA meetings, supporting fundraisers, etc.

Please feel free to contact any of the PTA executive board members or call the main office at 718-463-3747, with questions or concerns.

You may email the PTA Board at:
