# Pre-K News: October 2016

## What We Are Learning...

Our PreK students are adjusting to their new school and classroom so nicely! We are continuing to encourage them to be independent while they work, play and take care of their bodies.

This month we will be learning through a unit called "My Five Senses". In this unit they will begin to understand:

- There are 5 senses. They are smell, taste, touch, sight and hearing.
- Our senses help us understand our bodies, learn what they need, and keep us safe.
- Our senses help us learn about people, places, objects, and environment around us.
- Some people have disabilities that impact their senses.
- The seasons are changing from summer to fall. There are many opportunities to use our senses when the seasons change.

## Dates to Remember
